WRIT OF EXECUTION

The foregoing writ of execution is to be levied in conformity with United States and New York law against any property or property rights in any form (personal or real, tangible or intangible, materialized or dematerialized, direct or indirect, or fungible, including but not limited to any reserves, cash, gold, silver, securities, securities entitlements, securities accounts, equity interests, claims, contractual rights, statutory rights, special drawing rights from the International Monetary Fund, or any other interest of any kind in any asset of any kind) held or being maintained by, or in the possession, custody, or control of,

Federal Reserve Bank of New York
33 Liberty Street
New York, New York 10045

for the benefit of the government of Afghanistan (which the Taliban, also known as the Islamic Emirate of Afghanistan, now claims to be and to control), Da Afghanistan Bank, the central bank of Afghanistan (which is a bank, the assets of which, the Taliban, also known as the Islamic Emirate of Afghanistan, now claims to own and control), any political subdivision of the Islamic Republic of Afghanistan or the Islamic Emirate of Afghanistan (which the Taliban, also known as the Islamic Emirate of Afghanistan, now claims are its political subdivisions), and any agency or instrumentality of the Islamic Republic of Afghanistan or the Islamic Emirate of Afghanistan (which the Taliban, also known as the Islamic Emirate of Afghanistan, now claims are its agencies and instrumentalities).

Beginning on or about August 16, 2021, the previous government of Afghanistan was deposed by the Taliban, which also identifies itself as the Islamic Emirate of Afghanistan. On or about August 19, 2021, the Taliban declared itself the government of Afghanistan and changed the name of the country to the Islamic Emirate of Afghanistan, which is also the name of the Taliban. The Taliban as the Islamic Emirate of Afghanistan now asserts control over the country formerly known as Afghanistan, previously governed by the Islamic Republic of Afghanistan, and has assumed governance of the people within the jurisdictional borders of Afghanistan. The Taliban, as the Islamic Emirate of Afghanistan, also claims ownership of, and control over, all property, property interests, and all rights belonging to the former government of the Islamic Republic of Afghanistan, including all assets belonging to the central bank of Afghanistan, Da Afghanistan

Bank. As a result, the judgment entered against the Taliban which is now the Islamic Emirate of Afghanistan can now be enforced against any and all assets belonging to the government of Afghanistan, including any assets held at the Federal Reserve Bank in the name, for the benefit, or on the account of Da Afghanistan Bank, the central bank of Afghanistan.
